Claims Testimonial

Shown meeting in the foyer of the new church are Amy Clark & Keith Brackney from Hayes, Murphy, Sharp & Brackney, the church's local agent, Lifespring Pastor Gerron Ayento and his wife Tami, and Mennonite Mutual VP of Claims Todd Neville.

When Lifespring Church suffered a total loss fire on a cold January night in 2014, Mennonite Mutual's claims department stood at the ready to help get the church, its members and their ministry back on its feet and thriving.

“Working to Restore Us in Every Way Possible”

“As agents, there is no better feeling than knowing we have the full backing of our carrier and are able to be a part of helping our clients to fully recover and move forward with a fresh start.”

“From the initial claims call to the final check delivery, Todd and his staff at Mennonite Mutual have proven time and again to us and our clients that they sincerely do “practice what they preach!”

*Keith Brackney, President
HMSB Insurance*

“As pastors of a church going through a very traumatic claim, we were so thankful for the responsiveness and availability of our claims handlers the entire way through; working to restore us in every way possible.”

“We know on a very personal level what a good company Mennonite Mutual is; honestly and fairly run; working to restore us in every way possible according to the assurance written in the policy.”
